DIAMOND

Mrs. CHARLES ELTING.

Clyde Wardlow came home Monday with a well-developed case of measles. Clyde has been working for several months in a powder mill west of Carthage.

Claude Budd and Maude Pfander went to Nashville last Wednesday and were quietly married, but they were not so quiet as they supposed, for a large crowd met that night and gave them a grand charivari. They are among the finest young people of our community and every one wishes them good luck and happiness. They are at home to their friends on the farm Claude bought last year in the Blue neighborhood.

Chas. Elting spent Friday at J. W. Edwards', south of town.

Little Aline Osborne is improving very nicely. We hope she will soon be out at play.

Link Milton helped Fred Moser build a new henhouse Monday.

Grace Gulick spent Saturday and Sunday in Carthage visiting the Bucher sisters.

Walter Mosley and John Pfander called at Mr. Nett's Thursday night.

Mrs. Link Milton was a Jasper shopper Friday.

Guy Serafine was a Carthage visitor Saturday.

Chas. Nett is putting an addition to his house in the shape of a fine large screened porch. He is planning it so he can have a summer dining room.

Thomas Wardlow spent Saturday and Sunday in Joplin.

Mrs. Lunt called on Mrs. Osborn Friday.

Fred Moser and wife spent Sunday afternoon with Mr. and Mrs. Miller in the Dixie neighborhood.

The hard rain that fell Friday night was very acceptable. The wheat is much improved by it.

BIG HONOR FOR CLARKSON.

Named to Take Management of Jefferson Highway.

Notice has been sent out that J. D. Clarkson, of Carthage, who recently went to Moline, Ill., to engage in road promotion work, has been appointed to take the general management of the proposed Jefferson Highway.

This will be good news for those who are hoping that Carthage will remain on the main line of this highway. While the road construction plans to be followed will not be changed in connection with this appointment yet the appointment means that those plans will be known as the Carthage idea, and that fact alone means much to Carthage.

Carthage has been tentatively placed on the main line of this highway, but it must be remembered that this locality must measure up to requirements and expectations in building highways in the very near future, or this advantage will be lost.

That means that Carthage and the towns north of here and the country between must keep on getting busy in plans for road building and execution of the work, without loss of time. A great deal must be accomplished within the next few months, else all advantages thus far won will be lost and that might mean great loss for a time to come.—Carthage Press

ZION.

Mrs. Alex Keith and son Earl spent Sunday at A. T. Dean's.

Fred Kerriek is building an addition to his house.

Mrs. Keith's brother, Mr. Rogers of Arkansas, is here visiting.

Elmer Foster and wife will soon occupy their new house which is almost completed.

Mrs. W. L. Carter and Virgil and Hazel, accompanied by Mrs. J. B. Cline and Mrs. Will Ward, motored to Carthage Tuesday.

Cecia Mackey spent Saturday, Sunday and Monday with Miss Jessie Zinn. Miss Florence Stratton, Lucille, Velma, and Roy Mackey spent Monday evening with Miss Jessie Zinn.

Frank Isenman and wife spent Monday evening at E. E. Hubbard's.

Miss Edith Keener spent Monday night at Len Keener's.

Mrs. Clara Radford and grandson, Everett Radford, spent Saturday and Sunday at E. E. Hubbard's.

Thad. Yoes and wife spent Sunday afternoon at Mr. Howe's.

Miss Geneva Hubbard closed her school at Union Valley Friday.

Mrs. Ross McConnell and Billie Thiel were given a very pleasant surprise last Monday night, at the latter's home, it being both of their birthdays. There were about 40 present.

Miss Julia Strecker spent Tuesday afternoon with her sister, Mrs. Ross McConnell.

Philip Campbell closed his school at Summit Friday. The people of this community came in at noon with well filled baskets and a fine dinner was spread. There were about 50 present.

Gladys and Curtis Ballard and Mrs. Tiller called on Mrs. Charlie Thomas Sunday.

J. S. Seela and son Leonard were in Carthage last Tuesday.

Mrs. E. E. Hubbard and daughter Geneva were at Arthur Probert's Monday.

Mrs. Knight and children are visiting her sister, Hattie Gill.

LIFE SEEMED A BLANK FOR PAST FIVE YEARS.

Science Comes to Aid of St. Louis Woman and She is Gaining Daily.

"Life is a lottery. But science is taking the blanks out of life's lottery. Science is giving a capital prize to everybody.

"Life seemed a blank to me so far as health is concerned until Tanlac made me feel like new," Mrs. Hettie Gosnell of 2120 Clark avenue, St. Louis, stated.

"For the past five years I suffered from a catarrhal condition of the system," Mrs. Gosnell explained. "I had kidney trouble and a severe attack of indigestion from which I suffered all the time. My weight was decreasing, I was falling away. My nerves were all run down to the extent that I was a sick, worried woman."

"Tanlac has done for me more than I expected, and my whole system seems to be on the mend. My appetite now is normal, my food agrees with me, my kidneys feel one hundred per cent better."

"I have taken only one bottle of Tanlac yet I feel like new. I strongly endorse Tanlac and recommend it to all who suffer from catarrhal conditions and are run down."

Tanlac, a purely vegetable remedy, removes the bleak, blank prospects which the sick must face as Mrs. Gosnell stated, it made her feel like new, so also it has made many other run down men and women feel like new. Tanlac builds health and strength through the stomach, blood and nerves. Tanlac makes people fit for their job, the housewife's domestic tasks, the business man's the merchant's the laborer's and the farmer's.

Tanlac can be obtained in Jasper at the H. F. Pitts Drug Store.

Soldiers Allowed Midday Nap. In peace times soldiers in the Italian army are allowed two hours in the middle of the day for a nap.

Must Have Perfect Sight. British eyesight tests require men to distinguish colored lights, the size of a pinhead, twelve feet away before they are licensed to pilot mail steamers on the Atlantic.

Prevents Formation of Scale. The use of zinc plates in a boiler is said to prevent the formation of the scale which interferes with the boiler's efficiency.

Daily Thought. Life, with all its fields of joy and woe, is just our chance of the prize of learning love—how love might be, hath been indeed, and is.—Browning.

"There is a house we are always glad to point out to visitors; it always looks new and in good condition because its owner painted it with

Mound City
Horse Shoe Paint."

In the painting of your property you will feel the same degree of satisfaction and pride if the "Horse Shoe" brand is used. Besides you will find it will outwear all other paints or painting compounds. It costs less, too.

Drop in and let us tell you why.
